

ATTACHMENT B

REMARKS

In response to the Notice dated May 8, 2007, Applicants resubmit the Amendments that were intended to be filed with the RCE dated February 12, 2007 in which the tracked changes identifying the amendments were inadvertently incorporated into the amendment. This has been corrected in the attached version wherein the proposed changes are shown in tracked changes form, and thus the amendments are now in compliance with the rules.

Applicants submit that for reasons as stated in the prior response, the present application has been placed in condition for immediate allowance. Such action is respectfully requested.
